CAUTION RE USE OF TAXI RANKS

As you are aware there is a limitation to the number of taxis that can use taxi ranks. **DO NOT** extend beyond that legal number.

If you exceed that limit you are parking illegally and will be subject to an expiation from the relevant Council or South Australian Police.

The South Australian Police are observing the behaviour of taxi drivers, especially at busy ranks such as Hungry Jacks and Royal Adelaide Hospital.

Please do the right thing for yourself and your industry.
