SPECIAL ARRANGEMENTS WITH OVERLAND TRAIN

GSR has advised that their normal scheduled day time departures and arrivals for this weekend have been cancelled and replaced with the following

Overnight Grand Final Service:-

Depart Keswick Rail on Friday 28th September at 7.30pm

Return to Keswick Rail on Sunday 30th September at 7.30am

Would you please ensure that taxis are available for the return on the Sunday morning as the train will be filled to capacity.

NORTH TCE RANK - FRONT OF RAILWAY STATION

It is illegal to "U Turn" in North Terrace when leaving the SkyCity or Hyatt Taxi Rank. The only legal "U Turn" in that precinct is at the Victoria Street lights. We have been advised that Police will commence fining drivers who conduct "U Turns" in this area.

Please also note that the old taxi rank has been removed from the front of the Stamford. It will be replaced by a 4 car 24/7 rank on North Terrace when the new tram service commences (scheduled for 14th October 2007). The new rank will commence near the entry to the Stamford.

PLEASE DO NOT DRIVE ON TRAM TRACKS

It is illegal to drive your vehicle on the new tram tracks.

An unbroken yellow line is painted on the length of the track and it is illegal to drive over that line. The drivers of vehicles which move on to the track will be fined. This is applicable to the North Terrace and northern end of the King William Street track but consideration is being given to extending this restriction to the southern end of King William Street.
