IMPORTANT NOTICE FOR ALL DRIVERS

WEEK END ROAD WORKS

NORTH TERRACE NEAR VICINITY OF SKYCITY

The Dept of Transport has advised that there will be disruptions to the traffic flow and the main Casino taxi rank due to road re-surfacing between midnight Friday (tonight) and midnight Sunday. The work areas cover both the southern and northern sides of the road at various times during this period.

SkyCity has made Station Road available for taxis at various times during this period. It is important that you listen to the directions of the Taxi Rank Marshalls who will be fully briefed on the times that it will be available.

MORPHETT STREET SUPERVISED RANK

We remind you again to avoid picking up near the supervised rank on the Morphett/Hindley Street corner.

Marshalls are there to assist you by ensuring that passengers are well behaved, won't soil your taxi, pay up front if considered necessary, and it is disappointing to see many drivers picking up within range of the rank.

Customers waiting in an orderly manner are being disadvantaged.

Please use the rank, help the Taxi Marshalls help you!
