

Bulletin No: 114

Date: 17th May 2007

IMPORTANT TAXI RANK CHANGES **KING WILLIAM STREET**

Commencing 8.00pm Friday 18TH May, the Taxi Rank on the eastern side of King William Street near Grenfell Street (known to many as the T&G rank) will be **permanently** closed and relocated to the southern side of Grenfell Street.

The King William Street rank outside of the National Australia Bank will be closed during Stage 3 of the Major Tram Works (8pm Friday 18th May to 7am Monday 21st May). During this period a temporary replacement rank will be located on the southern side of North Terrace just east of the King William Street intersection (facing west).

Commencing Monday 21st May the National Australia Bank rank will be permanently relocated on King William Street closer to the entrance to the Rundle Mall. The rank will extend to Apollo Place and recommence after the roadway entrance. Signage has been installed but it is not to be used until Monday.

Due to King William Street roadworks on this weekend, taxis will not be able to enter King William Street unless exiting from the new Grenfell Street rank. Traffic control personnel will provide directions.

The SkyCity rank should be back to normal and Taxi Council will be providing Taxi Marshalls on that and the Morphett/Hindley Street rank.

Cheryle Rignanese
Secretary
Taxi Council SA.
