

TAXI OPERATORS

How effective are you in Monitoring and Managing your Taxi Business?

Would you like to increase your income and obtain a better return on your investment?

- Are you up to the minute with ATO Guidelines and Revenue expectations and benchmarking?
- Are you Training and Managing your Drivers efficiently?
- Do you have a Roadworthiness Program?
- Are you up to date with the Passenger Transport Act and Regulations?
- Are you aware of Trainee Driver Passport Procedures?
- Are you aware of WH&S and PCBU responsibilities in your workplace?
- Do you have an effective Business Plan?
- Are you using the Operator/Driver Shift Agreement Forms?

If you answered **NO** to any of these questions we encourage you to have a chat with the Taxi Council and consider undertaking the Monitor and Manage Small Business Operations Course.

Contact the Taxi Council SA on 8301 8400 or drop in and see us at the One Stop Shop at 71 Richmond Road Mile End South.

We're good for your business!
